3 DIMENSIONAL

A woman with long blonde hair is lying on her back on a dark grey sofa. She is wearing a patterned long-sleeved top and blue shorts. The sofa is positioned on a large, patterned rug. In the background, there are several potted plants on a windowsill, including a green vine plant, a small green plant, a pink plant, and a red plant. The room is bright and airy.

Pxl Carpets is a manufacturer of high quality carpets with over 15 years of experience. In our constant search for innovation we have developed a long pile shiny carpet with a soft and smooth feel you will love to touch. Don't believe us? Feel for yourself. We are confident that you won't be able to keep your hands off.

We combine this with our state-of-the-art printing technique for an exceptional result. A high range of colours with excellent vibrancy, fluent gradients and crisp lines leaving everything open for your and our creativity.

The Pxl Carpets network is spread all over Europe and has a local partner in many European countries to offer the best service. You can also contact our design team for custom-made designs.

Carpets available in sizes: 140x200cm – 170x240cm – 200x300cm or Ø150cm – Ø200cm. Sizes special shaped carpets on demand.
